

# Joyce Kenoras –Pooley

## Hear • Equality • Leadership • Patience

During these difficult times, we all seek to be heard; we seek answers and we need unity

I table the following to **HELP** us to reunite for our children, grandchildren and community

- H** Honesty and to Hear you
- E** Equality - every member has a role and deserves fairness
- L** Leadership - there are no “sides” to Adams Lake Band members
- P** Patience for me, and for you, as we move through renewed times
