## For our Bridging To Trades Program

Held IR 4 (Chase, BC)

### Who?

NVIT is a leader in Indigenous education and we are excited to bring the Bridging to Trades program to your community!

### What?

The Bridging to Trades program provides students with pre-foundational training in several high-demand industrial trades. Students will also develop necessary employment skills including resume writing, interviewing tactics, and other job-search related tools. Throughout the 10-12 week program, students will develop a sound understanding of workplace safety and gain significant hands-on experience in each of the following four trades:

Electrical,  
Plumbing / Pipefitting  
Millwrighting / Millwright  
Welding

### Why?

Are you someone who enjoys working with your hands? Do you find joy when the result of a product is completed?

NVIT offers many trades programs for many people with similar qualities to this. Our trades programs prepare students for future endeavors in this high-demand industrial industry.
