Why apply to our programs?

We provide the following to help you succeed:

Indigenized tech curriculum

Support with program application

Fully-funded tuition and registration fees for training programs

Student funding support for living allowances and/or daycare

A laptop with the required software or a drone to use with your community (if completing the Drone Stewardship Program)

Additional student materials

Subject matter experts as your instructors

Availability of transfer credits

Opportunity for career networking

Digital Elder support

A full cohort of enthusiastic Indigenous students

Holistic student care

Are you eligible to apply?

For the Foundations program, you need to be:

- ✓ Indigenous,
- ✓ Living in BC,
- ✓ Have basic computer skills, and
- ✓ Interested in exploring technology as a possible career path.

*To be eligible for the other programs, in addition to meeting the above requirements, you need to have at least completed the Foundations program or have the equivalent skills and meet the entrance requirements specified by our partner institutions.

If we just described you, then don't wait and apply now! [Click here.](#)
