

MADE WITH LOVE

START EACH SPECIAL MOMENT IN YOUR LIFE WITH A SURPRISE

ARE YOU AN INDIGENOUS ARTISAN?

We want to hear from you!!!

Made with Love (MWL) is a Canadian owned company that has re-invented the traditional advent calendar to bring custom advent boxes to all life milestones.

The Full Moon advent calendar is unlike any other advent calendar on the market. This premium advent calendar strives to promote Indigenous artisans by filling the advent boxes with beautiful pieces of authentic native art such as jewelry, beadery, dream catchers, or any products that can fit into each gift box.

The Full Moon advent calendar consists of 14 gift boxes, one for each full moon, summer solstice, and winter solstice. MWL would like to allow all First Nations to promote their small business by having their product placed in MWL's Full Moon advent calendar. All artists who have an item within the box will with a write-up about themselves and links to their businesses such as Facebook, Instagram, and the like.

If you would like to gain exposure, drive sales, and get your artwork noticed, this is the perfect opportunity!

We invite you to review this package. If you are interested, please fill out the product information form attached.
