

## **EFFECTIVE IMMEDIATELY: NOVEMBER 12<sup>TH</sup>, 2021**

The hunters of the Sexqeltkemoc territory (beginning with hunters of Adams Lake, Neskonlith and Little Shuswap) are exercising their traditional right to manage and protect fish and wildlife critical to food sovereignty.

The Adams Lake Indian Band has passed a motion which supports the hunting of Sexqeltkemoc Territory.

Therefore, there is an immediate ban on elk hunting on & within the South Thompson Watershed (Neskonlith and McGillvary Lake, Southeast to Westwold, Falkland and back to Chase mirroring the Tkemlupsemc elk hunting ban.
