

Attention: Homeowners with wood stoves on IR#4 and IR#6

Re: ALIB Firewood Program 2018

The Adams Lake Band has been fortunate enough the last few years to have plenty of wood to provide assistance to homes with firewood or wood for sweat and funerals; *however, this year is not the case.*

Due to limited supply of firewood/logs this year we are expressing to homeowners to plan the purchase of firewood or make arrangements to get their own supply of wood.

We do have a bit of wood that we will buck up starting in November 2018 and depending on wood availability will deliver one small load to those who have filled out the request form below.

Please note: request depends on wood availability.

Email form to vmichel@alib.ca or receptionist@alib.ca or can fax to (250) 679-8813.

Firewood Request Form 2018

Date _____
Name of those occupying house _____
Address _____
Size of wood? _____
Do you have backup heat? _____
Signature _____
Phone # _____

If you have any questions or request a form please contact
