Attention: Adams Lake (Cstèlnec) Band and Community Members
Re: Safety Concerns Uninsured Vehicles

Unlicensed, uninsured or unregistered motor vehicles

There have been complaints received regarding unlicensed, uninsured or unregistered motor vehicles/trailers parked on band reserve roadways. This poses a threat to the accessibility of emergency vehicles in the Community; access to Fire Hydrants; hinders maintenance contractors to do tasks like snow removal & street sweeping; danger to traffic with narrowing of the road lanes and environment impact if vehicle is severely damaged/unsalvageable like leaking fluids, car batteries etc.

If you are an Owner of the said motor vehicles that is parked on band reserve roadways this notice is for you. Please have any and all vehicles on all ALIB reserve band roadways moved to your own property or towed away to a parts yard/scrapyard. **If left unattended to, Owners will be notified two (2) times, if not moved, then the vehicle will be towed at owner's expense for towing and disposal costs.**

Thank you.
