**Re: Petition for Removal of Chief Paul Michel**

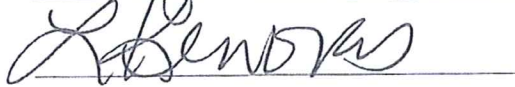

Further to the decision of the Federal Court in *Michel v. Adams Lake Indian Band Community Panel*, 2017 FC 835, the Community Panel will hear the petition for removal noted above in keeping with the principles and guidelines provided by the Federal Court of Appeal in its decision in *Johnny v. Adams Lake Indian Band*, 2017 FCA 146. Mr. Michel has until October 18, 2017 to appeal the decision of the Federal Court. The Community Panel will set down hearing dates in the near future once it is satisfied that it has in place the necessary procedural rules as articulated by the Federal Court of Appeal and it is determined whether or not an appeal of the Michel decision is filed in the Federal Court of Appeal. Please see the update letter from the Community Panel dated September 28, 2017 for more detailed information. The above noted petition will be heard by a quorum of the panel consisting of Maryann Yarama, Lynn Kenoras, David Nordquist and Sandra Lund.
