#### **Sta'ailes Lhawathet Lalem, Agassiz, BC**

Can you imagine how life would be different if you had Choices tools when you were a teen?

Teen and family camp is for ages 9 - 15 years and is similar to the adult program. The teen portion is from Monday through Friday and is filled with gentle processes developed to encourage and guide your child to discover who they are. Along with these processes we have so much fun! They will learn new tools to help them accomplish more of what they want in life, while discovering and changing patterns that are not working for them. Topics of discussion include peer pressure, self esteem, family dynamics, blended families, drugs & alcohol, anger management, and much much more.
