

Adams Lake Indian Band is looking for dedicated community members to form a Land Use Planning Committee for IR6, Swits.

Working with several consultants, we are anticipating the project to wrap up in December 2020.

The project consists of Committee Members supporting the consultants by attending:

- a site visit

- 3 community meetings and workshops in Swits,
 - an Open House, and

- attending Land Use Planning Committee meetings to review and provide feedback for the drafting of the Land Use Plan

To support the workshops and meetings, Committee Members will be provided with an honorarium and all travel expenses will be covered.
