

# Head Start Preschool Program

starting in October

If you have a child 3-5 and would like to enrol them in head start, we would like your input

Covid-19 has changed the look of our program and we would like to offer you 3 options:

- in class instruction - 3 mornings a week
- outreach where we drop off learning material for your child weekly
- Or a mix of both. Two mornings a week and at home activities.

We realize these decisions are hard to make but we would like to work with you, to make the transitions as easy and safe as possible

We are interested in parents' thoughts on the type of program that they would like to see for their children.

To share your thoughts or enrol your child call Robin Murphy at  
The Health Centre 250-679-7726 or cell 778-257-3722
