

Flu Clinics

Submitted by Shauna Buchannon, ALIB Community Health Nurse

Due to Covid Precautions, our Flu clinics will look differently this year. We are able to offer you Flu vaccine through **booked appointments only** this year, and cannot accommodate drop ins. To book your flu shot appointment, please call Gracie at the Health Centre if you reside in Chase, and Annie in Gleneden if you live in Salmon Arm. If you are feeling unwell, we ask that you cancel your appointment and re-book for when you are feeling better.
