

Extending best wishes to

Jackie Jones

who is retiring from ALIB

Community Health Nurse

on February 26, 2021.

She decided to stay one month longer to assist with the vaccines. She has been a huge help to Shauna Buchannon. We do appreciate that she decided to stay another month as her retirement date was January 29, 2021.

We will miss you at Health Centre and

wish you a wonderful retirement.
