### CELEBRATION of the COMPLETION Waterline Extension along Kamloops Shuswap Road, IR #4, Chase, BC

We are so happy this project is now completed and want to celebrate with the community. A **Traditional Meal will be on us** for the evening of **Friday, April 16th, 2021 starting at 4:30 pm to 6:30 pm.**

However due to covid restrictions the pre-packaged meals will have to be picked up by vehicle at the:

- IR4 ADAMS LAKE RECREATION & CONFERENCE CENTRE
- IR6 SWITSEMALPH LOG BUILDING PARKING LOT.

The traditional meal package will include Fish Chowder, Moose Stew, Bannock and a dessert made by our local chefs.

**IR #4 Residents** will need to drive thru on the round about at the ALRCC, stay in your vehicle, raise your hand to the attendant indicating how many dinner servings for your household. Attendant will then come to your vehicle with a box containing the meals.

**IR #6 Residents** will be contacted by Annie Williams on the delivery at the Swits parking lot.
