

Greetings,

Bringing the Salmon Home: The Columbia River Salmon Reintroduction Initiative is the Indigenous-led work of the Syilx Okanagan, Ktunaxa and Secwépemc Nations, in partnership with Canada and BC.

We're excited to announce the **Bringing the Salmon Home Festival** which will be happening online **May 10-16, 2021**. From discussions with Indigenous knowledge keepers, to storytelling, keynote presentations and more, it's going to be a fantastic week. Be first in line to hear about and register for the free events as they're announced in coming days.

It takes all of us, together.

It's been over 80 years since salmon were blocked by dams from returning to the upper Columbia River. We believe our diverse communities, from the headwaters to the mouth of this great river, can work together to find innovative solutions to successfully bring the salmon home. Your participation is vital.

Be informed, get involved!

We're working hard behind the scenes to make sure the **Bringing the Salmon Home Festival** is a wonderful experience. Sign up for our e-news alerts here - <https://columbiariversalmon.ca/connect/#join-us>

Thank you for being a part of this important work.

~ *Bringing the Salmon Home: The Columbia River Salmon Reintroduction Initiative team*
