Who is Mascon?

Mascon is a local cable company that has been proudly serving its customers for over 30 years.

The Mascon network delivers [lightning] fast download and upload speeds, as well as services like digital TV.

Over the upgraded network you can download files, share data, stream music and videos at speeds of up to 120 Mbps. Plus several devices in your premise can access the Mascon network at any given time, making staying in touch over video chats easier, enabling seamless gaming experiences and buffer-free streaming.
