Notice to parents/caregivers:

Daycare one month closure summer 2021

The Adams Lake Band Executive Director and Education Director have made the decision to close Sahhaltkum Daycare for one month during the summer due to a shortage of qualified staff. Our current staff need to take their vacation time and we presently do not have any qualified staff coverage which is required for licensed childcare centres.

The dates of closure will be from Monday, July 26th, 2021 to Friday, August 20th, 2021.

We will re-open again on Monday, August 23rd, 2021.

Parents will be responsible for making alternate childcare arrangements.

We appreciate your understanding in this matter. Please let us know if you have any questions.

Robert Matthew
Director of Education
