

UHS IN PARTNERSHIP WITH KHCC

WILL BE CONDUCTING TRAFFIC CONTROL TRAINING NEAR YOU!

Kicking Horse Canyon Constructors (KHCC) is always striving to improve worksite safety. The safe and effective use of flaggers plays a vital role in protecting the travelling public and workers from the hazards that are present on highway construction projects.

This is why Kicking Horse has decided to partner with **Universal Health and Safety**, a leader in the traffic control industry.

KHCC will be hosting a traffic control person program, which will be required to be completed to become a certified flagger and UHS will be facilitating the training in Golden, BC.
