Adams Lake Membership:

This is for Adams Lake Band members that have had a loss in their family and would like to know the process of removing their loved one off our membership list so that you don't experience any mail coming in for that person from the band office. If you have any questions regarding this matter, feel free to contact Kristina Deleeuw.

How do you report the death of a registered family member?

1. Provide any one of these documents:

- Vital statistics death record or
- Death certificate

Also provide the deceased family member's **status card**, if available.

2. Submit the documents

- in person to:
